# Building Capacity to Meet the Need – Our Shared Goals

- Your vision - preparing students
  - For leadership and professional interdisciplinary practice
  - In a wide array of service sectors, including health, mental health, PK-12, aging, child welfare

# The ACA and Its Impact on the Health Care Workforce

- Increasing support for primary care
- Supporting training for health providers
- Providing incentives for serving the underserved
- Encouraging new ways to practice

# Social Work “Got It” First – How to Make the System Work for Clients

- Social workers for decades have foreshadowed the health care enterprise taking shape today
- The field was among the first to deliver team-based and interprofessional care.
- Social workers provided a template for the emerging models of patient centered care

# HRSA's Links to Social Work

- Support for services through health centers, school-based clinics, home visiting, maternal and child health
- As loan repayer - National Health Service Corps
- Support for training
- Support for interprofessional education
- Social workers serve as program staff and policy professionals at HRSA's central office

# HRSA's Community Health Centers

- Licensed clinical social workers are key members of a health center primary care team
- LCSWs provide more mental health care than any other provider group within Health Centers

# The National Health Service Corps

- Mental and behavioral health care providers comprise 28 percent of the NHSC field strength as of September 2012. They include Health Service Psychologists, LCSWs, Licensed Professional Counselors, Marriage and Family Therapists, and Psychiatric Nurse Specialists.
- More than 1,400 mental and behavioral health providers – approximately 15 percent of total NHSC field strength of 8,000 clinicians – served at rural sites in the past year

# Mental and Behavioral Health Education and Training Grant Program

- \$9.8 million awarded (Fully Funded - 3 Year awards)
- Supported with ACA Prevention and Public Health Fund dollars
- Funds to support cross-disciplinary 'learning experiences'

# Social Work and Home Visiting

- \$1.5 billion, five-year ACA investment puts more care providers in at-risk communities
- Connects families to resources and services that can make a real difference in a child's health, development, and ability to learn
- Social workers key component

# Center for Integrated Health Solutions

- Promotes the development of integrated primary and behavioral health services
- Jointly-funded by the HRSA and SAMHSA
- Run by the non-profit National Council for Community Behavioral Healthcare - whose 2,000 member organizations promote integrated care

# Center for Integrated Health Solutions

- Integrated Health Social Work Curriculum Project
- Funding for the First Phase of the CSWE Collaborative Project came from the CIHS and SAMHSA
- Second and Third Phase Funding provided by the New York Community Trust

# National Center for Interprofessional Practice and Education

- Agreement with the University of Minnesota to serve as Site
- \$4 Million Dollars in Support Over Five Years
- Four Prominent Foundations Partnering in Effort
- Seen as “One-Stop” Training And Education Resource

# HRSA and Veterans

- HRSA is Partnering in White House Forum on Military Credentialing and Licensing
- Effort to 'fast track' veterans' ability to earn civilian certifications and licenses required for health care careers
- Special Focus on Advanced Medical Occupations (AMO); HRSA Co-leads Workgroup with Department of Defense

## How the Marketplace Works

### Set Up a Profile

First you'll provide some basic information to create an account.

**Sign up for Marketplace emails now and we'll let you know as soon as you can create an account.**

### Fill out the online application.

Starting October 1, 2013 you'll enter information about you and your family, including your income, household size, and more.

**Use this checklist now to help you gather the information you'll need.**

### Review and compare your options.

Next you'll see all the plans and programs you're eligible for and compare them side-by-side.

**You'll also find out how much you'll save on monthly premiums and out-of-pocket costs.**

### Enroll

Choose a plan that meets your needs and enroll!

**Coverage starts as soon as January 1, 2014.**

The screenshot shows the top navigation bar with 'HealthCare.gov', 'Learn', 'Get Insurance', and 'Español'. Below is a search bar and a main banner for 'The Health Insurance Marketplace is coming soon'. The banner includes a woman's face and text: 'A new way to get affordable coverage launches October 1. Answer a few questions to learn if you qualify for lower costs.' A green 'START NOW' button is prominent. At the bottom, there are links for 'GET IMPORTANT NEWS & UPDATES' and 'SIGN UP', along with a footer with navigation arrows and questions like 'What is the Health Insurance Marketplace?'.

## Health Insurance Marketplace Toolkit Now Available for Providers at [HRSA.gov/AffordableCareAct/Toolkit](http://HRSA.gov/AffordableCareAct/Toolkit)

### Affordable Care Act Basics

- State-specific information
- Marketplace enrollment timeline
- Consumer assistance information

### Patient Handouts and Education

- Eligibility information
- Consumer assistance resources

### Training and Education

- Training for CME/CE credit
- Sample slides, webinars

The screenshot shows the HRSA website interface. At the top, there is a navigation bar with the HRSA logo and the text "U.S. Department of Health and Human Services Health Resources and Services Administration". Below this is a search bar and social media links. The main content area is titled "Affordable Care Act and HRSA Programs" and features a sub-section for the "Provider Marketplace Toolkit". The toolkit section includes a central graphic with icons for various services like Health Insurance Marketplace, Small Business Health Options Program, and Health Insurance Information. Text to the right of the graphic explains that a primary goal of the Affordable Care Act is to help uninsured Americans gain access to quality, affordable health care, and that the Marketplace will be available starting in January 2014. It also states that it is time to raise awareness of the Marketplace to maximize enrollment during the first open enrollment period beginning October 1, 2013. Below this, there is a section titled "What is the Marketplace?" which describes it as a new way for consumers to find health coverage that fits their budget and meets their needs. At the bottom, there is a section titled "How can you help?" which provides information on how providers can learn more about the Marketplace and educate patients.
