

HOT TOPIC

Mental Health Recovery in Social Work

CSWE is launching a SAMHSA-funded mental health recovery curriculum, which includes competencies for recovery-oriented practice, classroom exercises, and a **free three-part webinar series designed for field instructors**.

Join us at the 2013 APM:

- Preview the Adobe Connect webinar curriculum which will launch live and on-demand for CEU credit in Spring 2014
- Engage in discussion with our webinar facilitators:

Patrick Sullivan, Indiana University School of Social Work

Debbie Plotnick, Senior Director of State Policy, Mental Health America

Jessica Holmes, Director of the Office of Research and Education, CSWE

- Learn about complementary resources for educators and practitioners, including mental health recovery practice competencies, student field assessment instrument, model syllabi, and more. Sample materials will be available for attendees.
